IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

Pursuant to the Court's October 30, 2012, Order Re Cross Motions for Summary Judgment (ECF No. 60), the parties, through their counsel, have conferred and hereby provide the following joint status report and scheduling stipulation:

The Federal Bureau of Investigation (“FBI”) will provide Plaintiff with a revised *Vaughn* index that will group documents into function- and topic-based categories. The FBI will provide the revised index to Plaintiff no later than December 14, 2012.

The FBI, Drug Enforcement Administration (“DEA”) and the Department of Justice’s Criminal Division (“CRM”) will conduct a review of pages that were previously withheld in full or part from otherwise responsive documents based on the components’ prior determination that the information in question was outside the scope of Plaintiff’s FOIA requests. The parties have agreed that the FBI, DEA and CRM will complete this review and provide any additional, non-exempt information to Plaintiff by December 14, 2012. If, as a result of the review, the FBI, DEA or CRM determines that additional information is responsive to Plaintiff’s FOIA requests and may be subject to an applicable FOIA exemption, the components will complete the processing of such information and, if responsive material is withheld pursuant to an exemption, provide a supplemental *Vaughn* index of any such material by January 25, 2013.

Lastly, the parties have agreed upon a proposed briefing schedule for renewed cross-motions for summary judgment as follows:

Defendant DOJ and its components DEA, DOJ Criminal Division and FBI move for summary judgment. January 31, 2013

Plaintiff files opposition and cross-moves for summary judgment. February 28, 2013

Defendant files reply and opposition to Plaintiff's motion. March 21, 2013

Plaintiff files reply in support of motion for summary judgment. April 11, 2013

Hearing on cross motions. April 25, 2013
